

Department of Nuclear Engineering

Application for an Undergraduate Degree

TO THE STUDENT: Please complete the steps below.

1. Complete this form and return it to the department advisor in 209D of Farris Engineering.
2. We will notify you of the status of your application by email.
3. Changes in the above program must be approved by the Department/Option Chairman or designated advisor. You will need to resubmit this form.

It is recommended that you file an application with the Chairman of your department or option during the second semester of your Junior Year, or prior to enrollment of the 100th hour toward your degree.
