

University of New Mexico Medical Physics Graduate Program Disclosure Statement

CAMPEP Graduate Standard 2.13 states “An accredited program must publicly describe the program and the achievements of its graduates and students, preferably through a publicly accessible website. This information must be updated no less often than annually and must include, for each program (MS, PhD or Certificate), the numbers of applicants to the program, of students offered admission, of students matriculated, and of graduates. Where possible, information on the subsequent positions of graduates must also be provided, i.e., residencies, industrial positions, etc. This information should not identify individuals.”

The following table provides the required information:
