

**Department of Nuclear Engineering (NE)  
Application for Bachelor of Science in Nuclear Engineering (B.S.N.E.)**

**Instructions to Student**

- Step One:** Run a LoboTrax Degree Audit for yourself using the instructions found on the Registrar's website [here](#).
- Step Two:** Select the option to view the audit as an HTML webpage, select the "Printer Friendly" button on the right hand side of the page, and save the audit as a PDF using the "Print to PDF" option with your name and ID number in the title.
- Step Three:** Review your audit for any missing degree requirements (in red) and fill out the worksheet below, indicating when you plan to take your remaining requirements. The required NE courses have already been filled in on the sheet, but **ALL** missing courses on your audit, **including your technical electives**, must be accounted for below in order to ensure timely graduation.
- Step Four:** Email [krisnava@unm.edu](mailto:krisnava@unm.edu) AND [cmyoung12@unm.edu](mailto:cmyoung12@unm.edu) with your audit and this signed worksheet as PDF attachments and "Application for Degree" in the subject line **by December 1**.
